Form Title : Disclosure For Layout-Design of Integrated Circuit Protection			
Form Number : FM-DCC-005D	Rev No: 0	Effective Date: 14/06/2016	Page No: 1 of 2

CONFIDENTIAL

The protection for the layout-design of an integrated circuit in Malaysia is governed by the Layout-Designs of Integrated Circuits Act 2000. Layout-design means the three-dimensional disposition of the elements of an integrated circuit and some or all of the interconnections of the integrated circuit or such a three dimensional disposition prepared for an integrated circuit intended for manufacture. The duration of protection is 10 years from the date the layout-design is first commercially exploited. If the layout-design is not commercially exploited, then the duration of protection is 15 years after the date the layout-design is created. Please complete this form and submit the form together with **a copy of the drawing of the layout-design** and **a sample of the integrated circuit**.
